

Fmp Cloud

Provides:

This API provides a plethora of financial data including

- Income statements
- Balance sheets
- Cash flow
- Financial statements
- Market cap
- Historical price data
- Crypto prices

All available on timeframes anywhere from one year to one minute.

Key Provisioning:

Pain factor (0=easy...5=nightmare): **2**

- One can request a key by making a free account, confirming their email and requesting an API key.

Quotas:

- You only get 500 API calls with the free version. In all :(
- Premium is \$14/month with unlimited calls

The Good:

- Very wide variety of data you can get.

The Bad:

- You only get 500 calls with a free account
- A premium account is rather expensive
