

# Alpha Vantage

---

## Provides:

This API provides a wide array of financial data including stock time series, Foreign exchange rates, Cryptocurrency, technical indicators, as well as S&P 500 sector performance.

The API provides a thorough history of these values, with daily, weekly, and monthly data.

They also provide a variety of google sheet and spreadsheet add ons that can be used to make fetching data easier.

## Key Provisioning:

**Pain factor** (0=easy...5=nightmare): **2**

- To get the key, you will need to enter your role and organization as well as your email. They will then provide you with a key. No account needed!

## Quotas:

- None

---

## The Good:

- Lots of data that goes into pretty fine detail

## The Bad:

- For some the data might not get as granular as they like
